Subject: SRRC funding for 2000

According to my records, the studies which are bolded on the enclosed spreadsheet should have been completed this year. I am organizing the SRRC meeting for November 16 and would like to make sure that these studies do not require any additional funding for 2000. Please check this spreadsheet and make sure my records are accurate.

I would appreciate your response by Monday, November 8th.

Thank you.
